

### **III. COUNCIL MEETINGS**

State regulation 401 KAR 4:220 (Section 5) provides requirements for public notices and public participation in the water management planning process. This chapter provides meeting dates, public notices and newspapers ads to verify compliance with this regulation.

#### **A. Meeting dates, Public notices, Newspapers**

The Gateway Area Water Management Council sets quarterly meeting dates for the Council at the first quarterly meeting held at the beginning of each fiscal year. For the fiscal year July 1, 2001 through June 30, 2002, the quarterly meeting dates were scheduled as follows: September 25, 2001; November 27, 2001; February 26, 2002; and May 28, 2002. The Council also reserves the right to hold special called meetings in addition to the regularly scheduled meetings if necessary. All members of the Council are sent a meeting reminder letter one to two weeks prior to the meeting. In the case of special called meetings, all members are given as much notice as possible. All regularly scheduled meetings of the Council are advertised in the local newspaper of each county represented on the council. These newspapers are as follows: Bath County - The Bath County News Outlook; Menifee County - The Foothills Courier; Montgomery County - The Mt. Sterling Advocate; Morgan County - The Licking Valley Courier; and Rowan County - The Morehead News.
